H Duty Referee General Information

Each team must nominate one (1) Duty Referee who holds a current Affiliate Referee Accreditation (formerly Level 1) or higher. WTA will conduct referee accreditation courses before and during each competition for those wishing to become accredited.

Teams that fail to nominate an accredited Duty Referee by the team nomination closing date may not be accepted into the competition.

Once your team nomination has been submitted, the Team Coordinator/Manager must complete the Duty Referee Nomination Form by clicking **HERE**..

The Team Coordinator/Manager must also ensure that a copy of the nominated Duty Referee's current referee accreditation certificate has been provided to the WTA Tournament Director. If WTA has not previously received a copy, it must be emailed to tournaments@waggatouch.com.au.

If a team's nominated Duty Referee changes at any time during the season, the Team Coordinator/Manager must notify WTA as soon as practicable. If the nominated Duty Referee is unavailable for a scheduled duty, it is the team's responsibility to arrange a suitably accredited replacement.

The minimum age for a Duty Referee officiating in a Senior Competition or the Mixed Competition is fourteen (14) years of age.

The minimum age for a Duty Referee officiating in a Junior Competition is twelve (12) years of age.

Any request for dispensation from this requirement must be submitted to WTA in writing and approved by WTA prior to the referee officiating.

On their allocated duty, the Duty Referee must:

- report to the Club Rooms at least ten (10) minutes before the scheduled commencement of the game;
- sign the Duty Referee Sign-on Sheet before officiating;
- provide their own whistle;
- wear the WTA-provided fluorescent referee vest, the TFA Official Referee Uniform, or the approved McDonald's Referee Shirt; and
- wear fully enclosed footwear at all times while officiating.

I Duty Referee.

All teams are required to nominate and provide a duty referee. Your duty referee will be required when your team is the **HOME TEAM** on the draw. The team-nominated duty referee or duty referees will be appointed to referee that rounds match. (WTA suggest a team should have two (2) duty referees attend to share the game and also to have a backup option).

Duty rostered teams will be paid $30 per game and will receive their payment at the end of the season.

Failure to supply a duty referee will result in a $50 fine and the following: -

1. If the team wins that match when rostered on for duty, they will lose four (4) competition points.
2. If the team loses that match when rostered on for duty, they will lose two (2) competition points.

Teams that fail to supply a duty referee may also face further action as determined by the WTA Board.
